Requests for the use of Division equipment must be submitted in advance. Renter is responsible for pickup and return of equipment at the convenience of the Division. Equipment must be returned within four calendar days from the end of the tournament in which it was used.

Rental fees are calculated on a per-tournament-day basis, and are payable in advance. Charges apply for each strip and strip set borrowed, whether used or not.

In addition to rental fees, a \$100 security deposit is required for each strip and strip set rented. Renter is liable for any lost or damaged equipment, even if the cost of replacement or repair exceeds the amount of the security deposit.

When picking up equipment, renters are required to submit two checks—one for the rental fees and one for the security deposit. The security deposit will be returned, in-full, if all rented items are returned undamaged, otherwise, it will be used to repair/replace any damaged/lost items, and the remainder of the security deposit (if any) will be returned at a later date.
